DM30

All YHS masks featured above are:
ASNZS P2 CERTIFIED **COMFORTABLE** **COMPACT**

P2 respirators require 94% minimum filtration efficiency for mechanical and thermally generated particles

- Internal nose pad with adjustable nose bridge
- Soft and wide welded elastic straps for superior comfort
- Super soft flexible filter material for optimum fit
- One way exhalation valve minimises moisture and heat build up
- Activated charcoal layer removes nuisance odours

<< Colour coded Boxes of 10 or Twin Packs of individually wrapped masks >>

Refer ASNZS1715 for guidance on selection, use and maintenance of respirators
