

## **SEPTEMBER 2021 UPDATE**

As a specialist import wholesaler of respirators since 2007 we strive to provide value and regular supply.

Fortunately we have reverted to pre covid price levels on all of our P2 disposables.

Demand for cup shape & premium individually wrapped vertical fold models remains strong.

If you require any inventory, please confirm your order asap.

We wish to thank our loyal customers for their understanding during this difficult period.

Stay safe 😊
