

Your Health & Safety

AUGUST 2018 - YHS NEWSLETTER -

Welcome to this newsletter which contains important information about our new location, updated website & contact details. **Read on for 11% discount offer.**

NEW LOCATION -

In February we moved to a brand new warehouse in Chirnside Park approx. 30kms north-east of Melbourne. This new facility provides extra space for our increasing inventory & expanded product range.

UPDATED WEBSITE - www.yhs.net.au

Our new website features updated product images including our brand new safety spectacles, new facepiece colour (Grey to **YHS blue**) and on line ordering. This colour change occurs in September when our existing grey masks are depleted. Naturally existing YHS filters fit the new mask and the same YHS quality remains.

NEW SAFETY SPECTACLES

In response to ongoing customer demand for additional YHS brand products we are pleased to confirm availability of our first shipment of YHS safety spectacles. **To celebrate our 11 year anniversary we are offering an 11% discount off our already great introductory prices for all email orders (including via our new website) despatched and paid in August.**

- Lightweight
- AS/NZS 1337.1 Medium Impact
- A/S A/F coating

CONTACT DETAILS -

Unfortunately one challenge with the move has been Telco issues! Regrettably we are yet to establish phone and fax lines. We have diverted all incoming faxes to our email and land line phone calls divert to Gerry's mobile. We apologise for the inconvenience. To contact us please use the following details :

- **GERRY MOORE MOBILE NO : 0434 040 595**
- **EMAIL: sales@yhs.net.au**

PLEASE DELETE OUR LANDLINE PHONE & FAX NUMBERS: 03 9876 7099 / 03 9876 6936

***NB ORDERS MAY ALSO BE PLACED ON LINE VIA OUR NEW WEBSITE**

LOOKING FORWARD

Like most importers the decline in the AUD:USD has significantly increased our costs. We aim to maintain our existing 2016 standard prices and defer our next price increase to January 2019. Unfortunately as part of our cost and administration controls we are unable to accept credit card payments. We kindly request that our customers continue to use EFT as our preferred method of payment.

We thank our loyal customers for their business. We hope we can continue to support you with products that generate healthy profits for your business.

**Best Regards,
Gerry**
